## IT'S OFFICAL

The Search Committee and the Board of Trustees are excited to announce that we have called the **Reverend Scott Elliott** to be the next Settled Pastor of the Nahant Village Church.

Candidate Weekend was held on October 15th and 16th at Nahant Village Church. On Saturday the 15th we held a Meet and Greet with Rev Scott. On the next day, Scott led us in

worship

After worship there was a Congregational Meeting where a vote was called to ask the Congregation to accept Rev Scott Elliott as the next Settled Pastor of Nahant Village Church. The vote was unanimously in favor.

Over the last couple of weeks, we have been in discussions with Scott and the UCC about the Call Agreement (contract), which we completed at the end of October. A huge thank you to Amy Dow and Marrit Hastings for all the work they put in on the Call Agreement. With Leadership, Trustees and Rev. Elliott all signing, the task is finalized and official!

Rev Scott Elliott, will be the next Settled Pastor of the Nahant Village Church. Scott and his wife Nancy will be moving from Ohio to Nahant where

they plan to settle into the parsonage. Scott is tentatively scheduled to start in the middle of February. Until then, Rev Patricia Long and Preacher Rusty Chadwick will continue to be with us and minister to the needs of the Church

## ALMOST THERE

Church Family & Friends,

I write this letter on November 8, 2022 to say: we are almost *there*. I do not mean Thanksgiving or Christmas. I do

not mean the arrival of your new shepherd. I speak of Advent. The time of waiting and expectation, of hope, of love, of faith, of peace, of light....of that opening verse in "*O Little Town of Bethlehem*" that sings, "above your deep and dreamless sleep, the silent stars go by".

The days of light, warmth (and humidity) are, with few exceptions and depending upon the effects of climate change, now both of the past and of the future. Daytime is suddenly more important. Darkness controls us more than we realize even though we live in an age of electronic light. An age of human-created light. An age when many think they walk in a 'good enough' light or think they do not need The Light.

Our church has always walked in The Light. A faithful remnant has kept the The Light burning through the darkness of COVID and the lack of a full-time pastor.

(Continued on page 2)

(Continued from page 1)

Many have shepherded and preached you through these times.

And now, like shepherds in the fields outside Bethlehem or kings in the East, you are being called back to The Light, for you are part of that Light. Jesus said that a city on hill cannot be hidden and no one hides a lamp under a bushel basket. Each of you must now pass the light of this church to one another. Think about this when you symbolically pass the light of Christ to one another on Christmas Eve. Think about how you must, yes must, be active in passing the light of this church to one another and everyone you meet. It will take more than one new pastor to spread the light of this church. He will be one candleholder reaching towards other candleholders. Be one of those outstretched candleholders seeking to take the light and then to give it to another. Make this one of your resolutions for the new year.

Peace and Love in Christ,  
Preacher Rusty

## VESPERS

**DECEMBER 8, 2022 at 7 p.m.**

Vespers, literally meaning evening prayers, is an ancient contemplative form of prayer. Monastics paused numerous times during a day to pray, Vespers, was held early evening. Rev. Patricia has planned a Vespers for you. Our evening prayer will center around Advent and Mary's experience of being called to be the Mother of God. We will hear the sweet bells of our

Bell Choir, a Mary Monologue by Ute, and silences throughout to calm us and center us as we ready our hearts for Christmas. This Vespers experience will be a welcome PAUSE during the hustle and bustle of our holidays. Come, and bring a friend or join us via Zoom: Meeting ID: 869 1204 8062/ Passcode: 123456

## CHRISTMAS REFLECTIONS

*“The people who walked in darkness have seen a great light; those who dwelt in a land of deep darkness, on them has light shone.” – Isaiah 9:2 (ESV)*

A limited number of copies of “Jesus—Light of the World 10 Christmas reflections on the Life and Light of Christ” are now available at the church. In a world filled with darkness people need to see the Light! We can show them Jesus who is the Light that pierces the darkness and brings us love, joy and peace. This booklet will help you share this amazing message with others so that they can experience His Light. Distribution will be on a first come first serve basis.

## WHITE CHRISTMAS

It has become a tradition to bring White Christmas gifts to those in need in our Congregation and community during the Christmas season. The Johnson Elementary School identifies needy families and children, and we have been able to distribute gifts to many over the years. We are continuing this tradition and ask for contributions to the White Christmas Fund. Monies collected will be used to purchase gift cards. We ask for monetary donations instead of gift cards because it makes the distribution process less challenging. You can put your donations in the offering plate or mail them to PO Box 77. Please indicate on the memo line of your check that this is a White Christmas gift. Thank you in advance for helping to make this Christmas a little bit brighter for some individuals and families.

## STEWARDSHIP CAMPAIGN AND E-GIVING

If you have not already done so, please send in your 2023 pledge and/or contribution to Nahant Village Church, PO Box 77, Nahant, 01908. This will enable the Trustees to put together a draft budget for 2023 which will be brought before the Congregation for review and approval in early 2023.

The decision to call a full-time Minister has obvious financial implications but the Leadership Team and Trustees feel that this decision was the right one to make at this time for this Church and community. We need to pave a way to the future and build on the strong foundation established long ago.

And we request your help with that.

You may want to consider signing up for E-Giving. Electronic giving not only makes life easier for parishioners, it also yields significant benefits for our Church. The program allows your weekly, monthly or quarterly contributions to be transferred electronically from your checking or savings account. So you can make your contributions without having to lift a pen to write a check or reach into your wallet for cash! You also can make your e-giving contributions via a credit card. Contact Treasurer Marrit Hastings for more information about e-giving.

## COMMUNITY BREAKFASTS

**Jan. 7, 2023, at a.m.**

There will be no Community Breakfast in December due to the annual Christmas Fair. The next community breakfast will be held on January 7 featuring a presentation by the Nahant Police Department.

*Gifts Given are Gifts  
Ever Flowing*

## OFFERING ENVELOPES

If you'd like to receive a set of offering envelopes for 2023, contact Marrit Hastings. These envelopes are especially helpful for individuals who place cash contributions in the offering plate. By putting the cash contribution in the offering envelope, the treasurer can record that contribution and provide you with a statement at year end which you may want to use for tax purposes. This E-Giving program has been ongoing for several years.

## GUEST MUSICIAN SERIES CONTINUES

12/4 - Sara DeLong, soprano

12/18 - Lisa Putukian, oboe

The Nahant Fire Dept. shared safety tips for residents during the Nov. Community Breakfast. Firefighter Frank Pappalardo explained how you should "Close Before You Doze" (closed doors will slow the spread of a fire). And everyone welcomed artist Carolyn Jundzilo-Comer who was back in Nahant for a visit.

## BYLAWS TEAM – PROGRESS REPORT

The Bylaws Team has been working diligently over the last six months to review the Church's bylaws, which were drawn up more than 50 years ago. The charge was to come up with a structure and bylaws adaptive to both the current and future ministry of our Church.

To date the committee has met a dozen times. At several of the meetings Pastor Chris Hart, who started a six-month consultancy with the Church in mid-April, was able to join us in person or via Zoom. Pastor Chris provided valuable guidance to our team and shared several examples of bylaws of other churches. Our next step will be to get feedback from the Leadership Team and Trustees on the proposed revisions we have made to date before holding focus groups with others in our Congregation. And hopefully/ultimately a formal vote for approval by the entire Church membership.

Team Members: Marrit Hastings, Mary Livingston, Teri Motley, and Chris Rogers

thank you  
note from  
Susan

Welcome Jonna Switzer to the Village Ringers! She will be ringing with us on Christmas Eve.

Unfortunately, Michael Weimer will not. He will return to his native Germany shortly after Advent Vespers. We wish Michael and his wife Katharina all the best; we have really enjoyed his participation not only as a bell ringer but a cellist as well.

If there is interest in learning how to read music or ring bells or chimes, contact Marrit Hastings for more information.

### ITALIAN SUPPER SUCCESS!

The Deacons, Jen McCarthy and Chris & Rich Stevens, would like to thank everyone who came out for the Italian Supper on Nov. 18. The “Friendsgiving” was well attended, and many laughs were shared over plates of spaghetti & homemade meatballs, homemade lasagna, salad, cookies and thanks to Roz, cupcakes!. The meal was free and opened to the community but donations were accepted. Thanks to the generosity of many, we mailed My Brother’s Table a check for \$185.60. Be on the lookout for another delicious event in February!
